The Committee would also urge upon all concerned the importance of opening and closing the polls precisely at the hours designated, and of so conducting the elections that every voter and candidate may have justice done him and no ground appear for complaints.

FOREIGN NEWS.

PHILADELPHIA, Aug. 11.

The Austria at Halifax, brings three days' later news from Europe. The Emperor Napoleon has directed that the army and navy of France shall be placed on a peace footing with the least possible delay.

The Zurich Conference had not assembled. The time has not been fixed, but it was expected to meet in a few days.

Advices from Italy are peaceful. The Sarдинian Governor of Modena has been withdrawn, and the Government turned over to the Municipalities.

The result of the deliberations on the annexation of Tuscany to Piedmont, had been made known. At 111 places, there were 808 affirmative and only 15 negative votes.

The first Austrian corps d'armes for the present will be maintained on a war footing, 200,000 strong.

The English Cabinet had announced that the invitation to participate in the Congress of the great powers, will not be considered until after the result of the Zurich Conference had been made known. Lord John Russell and Lord Palmerston, admitted in Parliament that England had acted as the medium for conveying terms from France to Austria, but without endorsing them.

August Election.

In KENTUCKY, the Opposition gain two Members of Congress, and there is a tie vote in one District formerly represented by a Democrat. Bell, the Opp. candidate for Governor, who went beyond the Locos in crawling on his belly to Slavery, is badly defeated as he ought to be, and Beriah Magoffin (said to be a Douglas man) is elected. The Locos have the Legislature, and will elect one of their own stripe, probably, in place of CRITTENDEN, to the U. S. Senate. Cassius M. Clay and the Republicans took no part in this contest.

TENNESSEE.—The Opposition have gained four Members, among them Emerson Etheridge, who voted with the Republicans generally against Slavery aggression, and was defeated for it two years ago. Netherland, the Opp. candidate for Governor, is the same "Deacon" who whipped his slaves behind the meeting house of the church which he "ornamented"—a christian diversion he can now pursue at his leisure, for while the Opposition have chosen 7 out of 10 Congressmen, Netherland is defeated by 8.

NORTH CAROLINA.—The Opp. have gained one Member as far as heard from.

TEXAS.—Sam Houston has received the Free Soil German vote, the M. E. Church voice, which with those of his old friends, it is supposed, will elect him Governor over the regular Dem. candidate. This is a great triumph, for Houston is more of a Republican than a National Slavery Democrat.

MISSOURI.—The Republicans elect 10 out of 14 candidates in St. Louis COUNTY, and show a progress of the Free Soil sentiment.

OREGON.—Reports vary, rendering the election of a Republican to Congress not improbable.

A child of four year old died recently at Bear Gap, having eaten some corrosive sublimate which its mother (Mrs. Charles Leisengen) had used to destroy bed bugs. By some means, the child got hold of the bottle.
